Welcome!

We are delighted that you have chosen our office to care for your dental needs.

We are proud to provide gentle family oriented care to the adults and children of our community. As a general dental office, we offer treatment in all areas with specific interest in implant and reconstructive dentistry. Our caring staff and comfortable office provides a very pleasant atmosphere utilizing headphones, and a TV for your relaxation. Please let us know of anything we can do to make your visit as pleasant as possible.

Enclosed are the patient information forms that you may complete at your convenience. Please bring the forms with you to your appointment, and if you have insurance, bring a copy of your claim form and ID card or insurance booklet. We are always happy to help you with your insurance.

We are happy to have you as a new patient and look forward to meeting you at your scheduled appointment.

Sincerely,

Frank Harmon, D.D.S.
